

POSITION AVAILABLE: QUALITY ENGINEER (COMPOSITES DIVISION)

COMPANY:

Five Star Race Car Bodies (located in Twin Lakes, WI) is a privately held, fast growing expert in manufacturing high-performance composite, polycarbonate and plastic components for a variety of applications in the automotive industry. We are seeking an impact player and difference maker to join our team as a QUALITY ENGINEER who is dependable, diligent and detail oriented.

QUALITY ENGINEER POSITION DESCRIPTION:

The successful candidate for this hands-on position will have a fundamental understanding of modern quality philosophies, principles, systems, tools, standards, customer satisfaction and improvement methods. The desired candidate will be able to develop and implement quality programs, including tracking, analyzing, reporting and problem solving. This position works closely with the company's Quality Program Administrator to ensure compliance to national standards and requirements (ISO9001). This position will continually seek improved efficiencies and integrate cost saving methods. They will be a key contact with customers on quality related issues. The ideal candidate will be an expert at preparing reports by collecting, analyzing, and summarizing data and making recommendations.

QUALITY ENGINEER SKILLS & REQUIREMENT:

- Bachelor of Science in Mechanical Engineering, Process/Quality Management, Physical Science or similar field.
- Experience with ISO9001.
- Experience working with Composite material a huge bonus!
- Problem solving and root cause analysis tools: Six Sigma, FMEAs, Control Plans.
- Analysis Skills: Identifies significant problems and opportunities.
- Decision Making: Demonstrates consistent logical rationality and objectivity in decision making.
- Understanding of modern manufacturing techniques.
- Must be computer literate with good skills in modern CAD software along with Microsoft Office.
- Must have excellent written and verbal communication skills.
- Must be able to work both independently and as a team member.

Five Star features a clean & safe state-of-the art facility. We offer competitive wage commensurate with experience and a comprehensive benefits package including health, dental and life insurance. We are an equal opportunity employer.
