

### **Advanced Manufacturing Technician – Repair, Spray & Finishing Specialist**

At Five Star, we don't just manufacture parts—we craft high-performance molded components that meet the highest standards in demanding industries. If you're someone who enjoys working with your hands, using a wide variety of tools, and takes pride in precision work, this role is for you.

#### **Responsibilities:**

- Carefully demold parts to prevent damage
- Operate spray guns to apply coatings, primers, and adhesives with precision
- Use hand and air tools (grinders, sanders, scrapers, utility knives, drills, putty knives, deburring tools, etc.) for trimming, prepping, and finishing parts
- Perform surface repairs including sanding, filling, and smoothing
- Accurately mask components with tape, plugs, and film for coating prep
- Load and unload parts from ovens, monitoring timing and placement
- Follow work instructions and safety protocols to maintain quality and safety

#### **Qualifications:**

- Experience working with hand tools and air tools—whether professionally or in a personal/shop setting
- Familiarity with tools such as: Spray guns, grinders, drills, utility knives, masking dispensers, scrapers, pliers, and brushes
- Background in spray coating, auto body, plastics, mold repair, construction, or general manufacturing is a strong plus
- Strong attention to detail and ability to spot defects or imperfections
- Comfortable with physical work including standing, lifting up to 50 lbs., bending, and repetitive hand motion

**Available Shifts:** Four-day work week – *(Enjoy your Fridays off! Overtime required during busy season)*

1st SHIFT: Mon - Thurs 5:00 am - 3:00 pm

2nd SHIFT: Mon - Thurs 3:00 pm - 1:00 am
