

Advanced Thermoforming Operator

Five Star Fabricating is a privately held, fast growing expert in manufacturing high-performance composite, polycarbonate and plastic components for a variety of applications in the automotive industry. We are seeking an impact player and difference maker to join our Thermoforming team. Five Star offers a clean and state-of-the-art manufacturing facility.

Responsibilities:

- Set up and operate thermoforming machines to produce high-quality plastic components.
- Optimize machine settings (temperature, pressure, feed) for efficiency and consistency.
- Monitor production runs, troubleshoot issues, and perform routine maintenance.
- Inspect products to meet quality standards and customer requirements.
- Oversee mold/tool setup and teardown.
- Collaborate with production and quality teams to resolve issues and improve processes.
- Ensure compliance with all safety procedures and report hazards.
- Maintain accurate production records and provide status updates.

Qualifications:

- High school diploma or equivalent; technical training preferred.
- 2+ years' experience in thermoforming or related plastics process.
- Strong mechanical aptitude and troubleshooting skills.
- Experience in process optimization and root cause analysis.
- Ability to lead, train, and support team members.
- Bilingual (English/Spanish) a plus.

Five Star offers competitive compensation and benefits packages, as well as opportunities for career growth and development.
