

CNC Machine Operator – 2nd Shift

Five Star Fabricating Inc., a fast-growing expert in high-performance composite, polycarbonate, and plastic components for the automotive industry, is seeking a dependable, detail-oriented CNC Machine Operator to join our 2nd shift team. If you're passionate about precision, enjoy hands-on work, and want to take your career to the next level, this is your opportunity to make an impact—while enjoying a \$3/hour shift premium!

What You'll Do:

- Set up and operate CNC machines to produce high-precision parts.
- Read and interpret blueprints, schematics, and technical drawings with accuracy.
- Monitor operations, making adjustments to ensure top-notch quality and efficiency.
- Perform routine maintenance to keep machines running at their best

What You Bring:

- High school diploma or equivalent; CNC vocational training/certification preferred
- Knowledge of CNC programming, machining processes, and tooling
- Strong math skills and ability to read technical drawings
- Keen attention to detail and mechanical aptitude
- Problem-solving mindset and ability to troubleshoot

Why You'll Love It Here:

- Hands-on work with cutting-edge CNC technology
- Opportunity to grow your skills and advance in manufacturing
- Be part of a team that values precision, safety, and innovation

Shift Details:

- Monday–Thursday, 3:45 PM – 1:45 AM
- 10-hour workdays, 4 days per week
- \$3/hour shift premium

Five Star offers competitive compensation and benefits packages, as well as opportunities for career growth and development.
