

Design Engineering Co-op/Internship

Five Star is a privately held, fast growing expert in manufacturing high-performance composite, polycarbonate, and plastic components for the automotive and racing industries. We are located about 15 minutes East of Lake Geneva, WI. Our Engineering team is seeking a Co-op student to embark on a rewarding journey of hands-on learning and professional growth. This opportunity is designed for engineering students eager to apply their academic knowledge in real world setting and gain exposure to a wide variety of manufacturing processes.

Responsibilities:

The candidate will perform the below tasks and more:

- Shadow departments in new product development and manufacturing.
- Carry a product from start to finish through Five Star. Inception, R&D, refinement, and manufacturing.
- Create 3D models using Creo Parametric based on project requirements and design specifications.
- Collaborate with cross-functional teams, including engineers, and manufacturing professionals, to integrate design inputs and optimize product performance.
- Assist in the development and testing of prototypes, providing design support, and making necessary adjustments based on feedback and testing results.

Qualifications:

- Mechanical Engineering Background
- Experience with 2D and 3D Design Software
- Prior Work and Internship Experience Highly Preferred
- Junior, Senior, or Graduate Level Students Preferred

Benefits: While this position currently does not offer benefits, we are proud to offer a positive and collaborative work environment where your contributions are valued.

Work Schedule: This position is an in-office role. Flexible time is available for this position with core position hours occurring between 8:00AM and 4:00PM Monday - Thursday and 8:00AM – 12:00PM on Fridays. Outside of these hours, the employee may flex their schedule to meet a minimum of 40 hours per week.

If you meet the above requirements and are interested in this opportunity, please submit your resume for consideration to hr@fivestarbodies.com. We look forward to hearing from you.

May apply in person at 8899 368th Ave. Twin Lakes, WI 53181
