

Manufacturing Associate

Want to be part of something bigger than just a job? At Five Star, your work directly contributes to innovation in high-performance automotive and advanced manufacturing.

We don't just make parts—we build precision products that perform in some of the most demanding industries. Every day, we're pushing the limits of what manufacturing can do—and we want you on the team to help make it happen. This is your chance to grow your skills, build a career, and join a company that's moving forward.

What You'll Be Doing as a Manufacturing Associate:

- Set up, run, and maintain production equipment
- Load and unload parts and materials while protecting product quality
- Place items into forming ovens and check for accuracy
- Use hand tools and equipment like masking machines
- Remove and report any damaged parts or equipment
- Inspect parts to ensure they meet quality standards
- Assemble, label, clean, and package finished products
- Lift up to 50 pounds regularly

Who We're Looking For:

- Dependable team players who take pride in their work
- Motivated individuals who enjoy hands-on tasks and learning new skills
- Prior manufacturing experience is helpful but not required—we'll train the right candidates!

Available Shifts: **Four-day work week** – *(Enjoy your Fridays off! Overtime required during busy season)*

- **1st SHIFT: Mon - Thurs 5:00 am - 3:00 pm**
- **2nd SHIFT: Mon - Thurs 3:00 pm - 1:00 am**
