

Manufacturing Engineer

Five Star has an opening for a Manufacturing Engineer. As the Manufacturing Engineer, you will play a key role in improving our manufacturing processes, ensuring efficiency, quality, and safety. You will work closely with our production team, drive strategic initiatives, and contribute to the overall success and growth of our company. Your expertise will be pivotal in fostering a culture of continuous improvement and operational excellence.

Responsibilities:

- **Process Improvement:** Develop and implement manufacturing strategies to optimize production and minimize costs.
- **Project Management:** Manage production schedules and ensure production targets are met on time and within budget.
- **Quality Control:** Monitor product quality and implement quality control measures to ensure that all products meet or exceed customer expectations.
- **Kaizen Principles:** Utilize Kaizen principles to realize immediate benefits and set foundation for continuous improvement.
- **Operational Systems:** Improve operational systems, processes and policies in support of the organizations' vision.
- **Collaboration:** Plan and facilitate department and executive team meetings.

Qualifications:

- **Experience:** Minimum of 3-5 years in a manufacturing engineering role.
- **Expertise:** Strong knowledge of advanced manufacturing processes and materials.
- **Problem-Solving:** Demonstrated ability to take initiatives, solve problems, and work in a fast-paced team setting.
- **Lean Manufacturing & Six Sigma:** Knowledge of Lean Manufacturing and Six Sigma methodologies.
- **Project Management:** Strong project management skills with a track record of successful project execution.
- **Communication:** Excellent communication and interpersonal skills.
- **Innovation:** Ability to bring creativity and innovation to process improvement and problem-solving.

Five Star features a clean & safe state-of-the art facility. You offer us your determination and work-ethic; we offer you very competitive pay and top-notch benefits including:

- Complete insurance coverage – Medical, Dental & Vision for employees and dependents.
- Health Savings Account.
- Company provided Life insurance.
- Supplemental Life Insurance for employees and dependents.
- Short- and Long-Term disability insurance.
- 401(k) with generous company match
- Paid holidays and vacation.
- Fitness center discounts.
- Cell phone discounts.
- Tuition reimbursement.
- Employee referral bonus program.

If you meet the above requirements and are interested in this opportunity, please submit your resume for consideration to hr@fivestarbodies.com. We look forward to hearing from you.

May apply in person at 8899 368th Ave. Twin Lakes, WI 53181
