

TA2 ROAD RACING

EXCLUSIVELY DESIGNED FOR TRANS AM COMPETITION

*Constructed from premium composite materials, the TA2 Body
is the perfect combination of a stock appearance
and top-tier performance on the track.*

- » **Tremendous shear (tear) resistance to withstand impact & prevent body debris**
- » **Body made of Advanced Lightweight Composite & Ultrerglass**
- » **Camaro and Mustang available in narrow-width option for European competition**
- » **Flange-fit panels sit flush with no exposed fasteners**
- » **Consistent, repeatable fit makes replacements quick and easy**
- » **White finish on all parts**
